Diconium

Volatility.

Changing markets, cost pressures, uncertainty

DIGONIUM

Volkswagen's D³ Platform

Secure distribution of flash data

Flashing of UNECE- &
Legacy vehicles

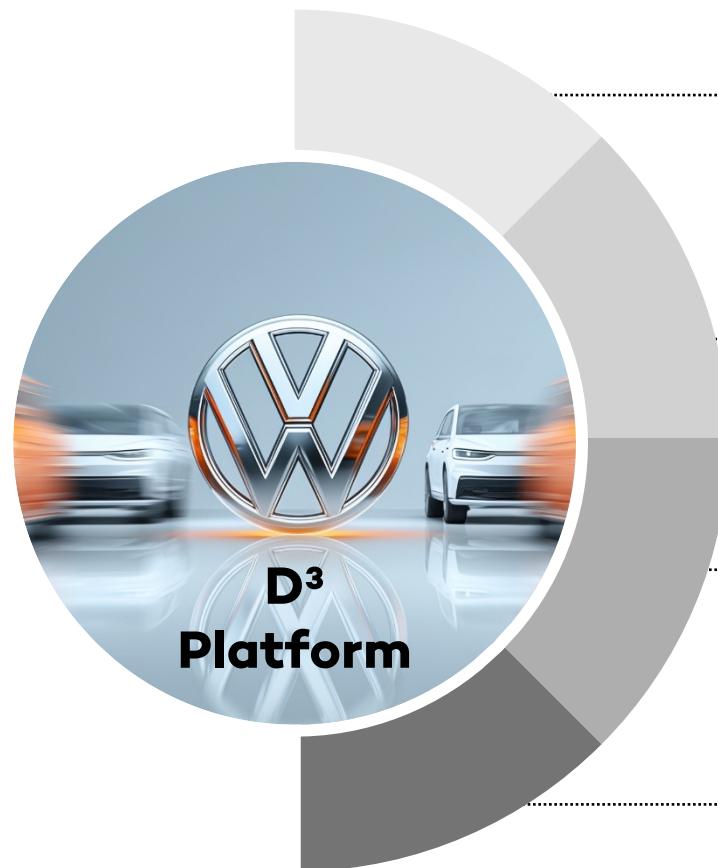

**Provisioning of sales &
after-sales relevant services**

Securing legal compliance for sales
& after-sales relevant processes

Global, all brands, 24/7

Complex Problems uncovered by **Due Diligence**

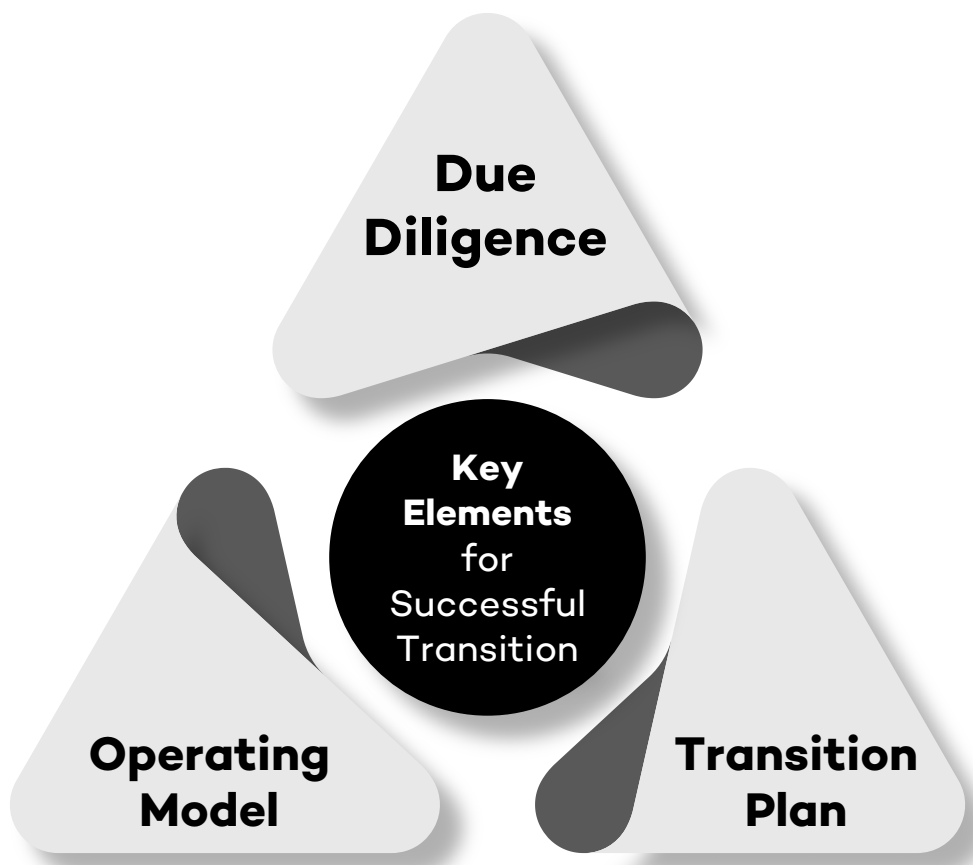

Unclear Ownership

Inefficient Processes & Communication

Unclear Product Vision

Lack of Scalability

Transformation is
not a purpose –
it is the new REALITY.

Major Learnings of the D³ transition.

Clarity beats perfection

Transformation is human

Product Thinking

Transition doesn't end at go-live
